

# Westchester Bus Operators' Guide to Fares and Transfers

The Westchester route is in the West Zone and makes connections only with the Rapid Transit Congress Route which is in the Middle Zone. The West terminal of the Congress Route and the East terminal of the Westchester Route is at Desplaines Avenue and is the transfer point for these two routes.

Because this is the only transfer point for Westchester passengers, transfers are issued only to Eastbound passengers who will transfer to the Congress Route.

Passengers pay the same rates of fare whether they make a local ride within the West Zone or make a two-zone ride into or from the Middle Zone.

*Effective 9/3/59*
