PLEASE STAND AT THE CURB . . .  
YOU ARE SAFEST THERE

When waiting for your CTA bus, please don't stand in the street. Wait on the curb until the bus stops. Then you can board safely.

Even when there is an illegally parked car in the loading zone, stay on the curb. Signal the Bus Operator and leave the curb only when the bus has stopped.

If you step in front of an approaching bus, you may be the cause of a serious accident.

Your action may compel the Bus Operator to brake his bus faster than street conditions warrant, and, if the pavement is slippery, the fast stop may cause the bus to skid. Or, you may slip and fall directly in front of the approaching bus.

Your safety is of great concern to us. Please help us keep you safe.

Thank you,

Your Bus Operator
