

**DOMES CARS BEHIND OLD NO. 637 !**

# Fox River Special-Sun., Sept. 2

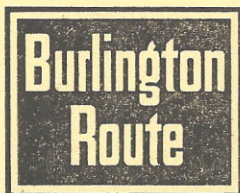

Chicago to Streator and return over freight only branch lines, along scenic Fox River Bluffs with plenty of stops for pictures. Burlington steam locomotive No. 4000 takes the train to Aurora. Change engines there and inspect Burlington's shops. Engine No. 637, built 1892, heads the train for the rest of the trip. Old open-window coach will head the train for those passengers who want to hear the engine. Other cars air-conditioned-2 vista domes, 2 streamlined coaches, cafe-coach for snacks. At Streator engine tank will be filled by city fire department. Train capacity limits tickets to 300 passengers. Get your ticket early!

LEAVE Chicago Union Station at 9:00 a. m.  
Central Standard Time  
Return to Chicago Union Station by 7:00 p. m.

**Fare, \$8.50, Includes Box Lunch**
