9:00 A.M. Howard Terminal

Join CERA for a trip over the CTA rapid transit lines. The trip will utilize the newest cars on the system. Our trip will depart from Howard Terminal at 9:00 A.M. with four new cars just delivered from the Budd Company's Philadelphia plant. CERA will be the first revenue riders on these cars.

The trip will cover the North side lines to Howard and Kimball. After lunch we will venture onto the West-Northwest lines for visits to 54th Avenue on Douglas Park and the new O'Hare Terminal. Photo opportunities will be available on all routes with an extended session at the new O'Hare Station. Our trip will terminate at DesPlaines on the Congress line.
