With the cooperation of the new management of the Chicago South Shore & South Bend Railroad, CERA is able to offer you a tour of the line this spring. This opportunity is unlike any that has been possible for years.

From a 9 AM (Central Daylight Time) departure at Randolph Street to South Bend and return about 4:30, this will be an *all special train* operation. A dozen photo stops are included.

You'll enjoy a guided tour of the Michigan City

shops — inside and out — from the comfort of your seat in a new NICTD/RTA commuter coach.

The trip fare of \$32 includes lunch on the train. The lunch menu will be catered by Brown's Fried Chicken and includes a three-piece entrée, baked beans, potato salad, roll and butter, with coffee or soda.

A coupon is attached for your convenience. Ticket orders in advance are helpful to CERA and the railroad.
