OPTIONAL EXPRESS BUS SERVICE

Chicago Transit Authority's first all-bus combination service consisting of through local service at the basic fare and an optional express service at a premium fare is being established Sunday, Memorial Day, in Archer Avenue. Streetcars are being replaced by new motor buses, and the existing express bus service is being substantially improved.

Express bus running time is being speeded up by the elimination of stops, and the standard and frequency of service are being raised by the addition of more buses.

The following express bus stops are being discontinued:

47th and Archer	9th and State
38th and Archer	Polk and State
Throop and Archer	Balbo and State
Cermak and Archer	Congress and State
State and Archer	

The new express service, operating on weekdays (6:00 a.m.—leaving 63rd St. and Cicero Ave. to 6:30 p.m.—leaving downtown) and Saturdays (6:00 a.m. to 6:00 p.m.) offers a 20 per cent saving in travel time as compared to local bus service between the Municipal Airport and Wacker Drive and Wabash Ave.

For this premium service, a fare of 15 cents is to be charged.

Local bus service at the 11 cent basic fare is available throughout the length of the express bus route.
