

FAST **FREQUENT** **15c BUS SERVICE** **ACROSS THE LOOP**

Starting June 22, 1964 you will be afforded a comprehensive new CTA 15c bus service to and from the Union Station and the loop.

To use this new service, go directly up the east stairs of the station concourse to the new bus terminal on Riverside Drive. (Wacker-Orleans bus No. 128 to Merchandise Mart, and Wacker Express bus No. 158A via lower level Wacker Drive, will continue to depart from Canal Street entrance of Union Station.)

This means safer, faster, more frequent service for you.

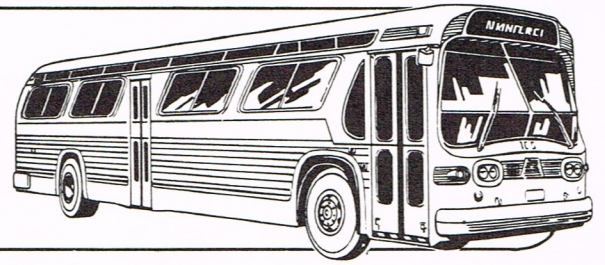

You will board buses in the morning that are at the new terminal, and therefore empty.

To many loop locations, you'll have your choice of several routes.

The maps herein show the six routes of this new CTA bus service . . . and the hours and days of the week each route will be available.
