Many of our commuters to downtown Chicago use CTA's 15¢ Shuttle Buses to and from North Western Station. Some of these reduced-fare CTA routes operate only in A.M. and P.M. rush hours. Others run throughout the day and evening with reduced-fares during certain periods to serve North Western train riders.

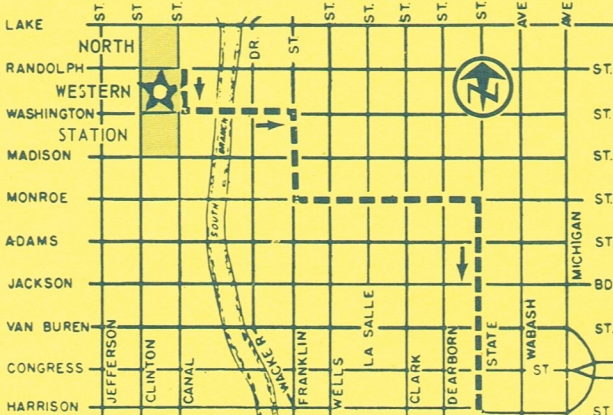

The service is fast, frequent and dependable. We've prepared these handy route maps of the CTA's 15-cent Buses which serve North Western Station for the convenience of new C&NW commuters.
