

Special Notice

TO "L"-BUS RIDERS AT MORSE AVENUE "L" STATION

For the convenience of those patrons transferring from the Elevated lines to buses at Morse Avenue station, a change is being made, effective Sunday, July 3, in the terminal point for the Lunt-Touhy (No. 96) bus route.

At present, these buses take lay-over time eastbound in Morse Avenue just west of Sheridan Road.

Under the new arrangement, these Lunt-Touhy buses will lay over eastbound in Morse Avenue, just east of the elevated structure. This will provide greater availability of buses for transfer patrons wishing to travel east in Morse, north in Sheridan Road or west in Lunt Avenue.

The map on the reverse side shows in detail the new terminal point and the route of Lunt-Touhy buses in the vicinity of the Morse Avenue "L" station.
