A winning touchdown tip for Chicago Bear Fans

Be a winner yourself. Let CTA professionals chauffeur you to and from the Bears' home games, either by surface or rapid transit. You'll be delivered to and picked up right at Wrigley Field . . . no traffic "blocks" to throw you for a loss, no frantic scrimmage for parking.

If you must drive part way, leave your car at one of CTA's parking lots where there's ample capacity, and take the rapid transit to Wrigley Field.

The SKOKIE SWIFT, CTA's popular new high-speed, non-stop rail service between Dempster terminal, Skokie, and Howard Street North-South terminal, Chicago, will operate on Bears' "at home" Sundays specifically for the convenience of fans in Skokie and adjacent suburbs. LINDEN LIMITEDS providing express service between Linden and Howard will be added to serve North Shore Bear fans.
