

Skokie Swift

"The Commuter's Friend"

SOME SKOKIE SWIFT
ACCOMPLISHMENTS DURING 1965:

Car 53 completely rebuilt and added to fleet.

New chassis and motors installed on Car 3.

Special winterizing installations made on all cars.

Crawford grade crossing completely renewed. (New tracks and pavement).

East Prairie grade crossing completely renewed. (New tracks and pavement).

Oakton grade crossing partly renewed. (Freight side track removed, holes filled).

Sidewalks installed at Kostner.

Passenger boarding area enlarged at Howard to accommodate increased traffic. Additional radiant heaters for the Skokie Swift boarding location at Howard will be installed as soon as delivered.

Merry
Christmas

AND A HAPPY
NEW YEAR
