

# to Jackson Park rapid transit passengers

---

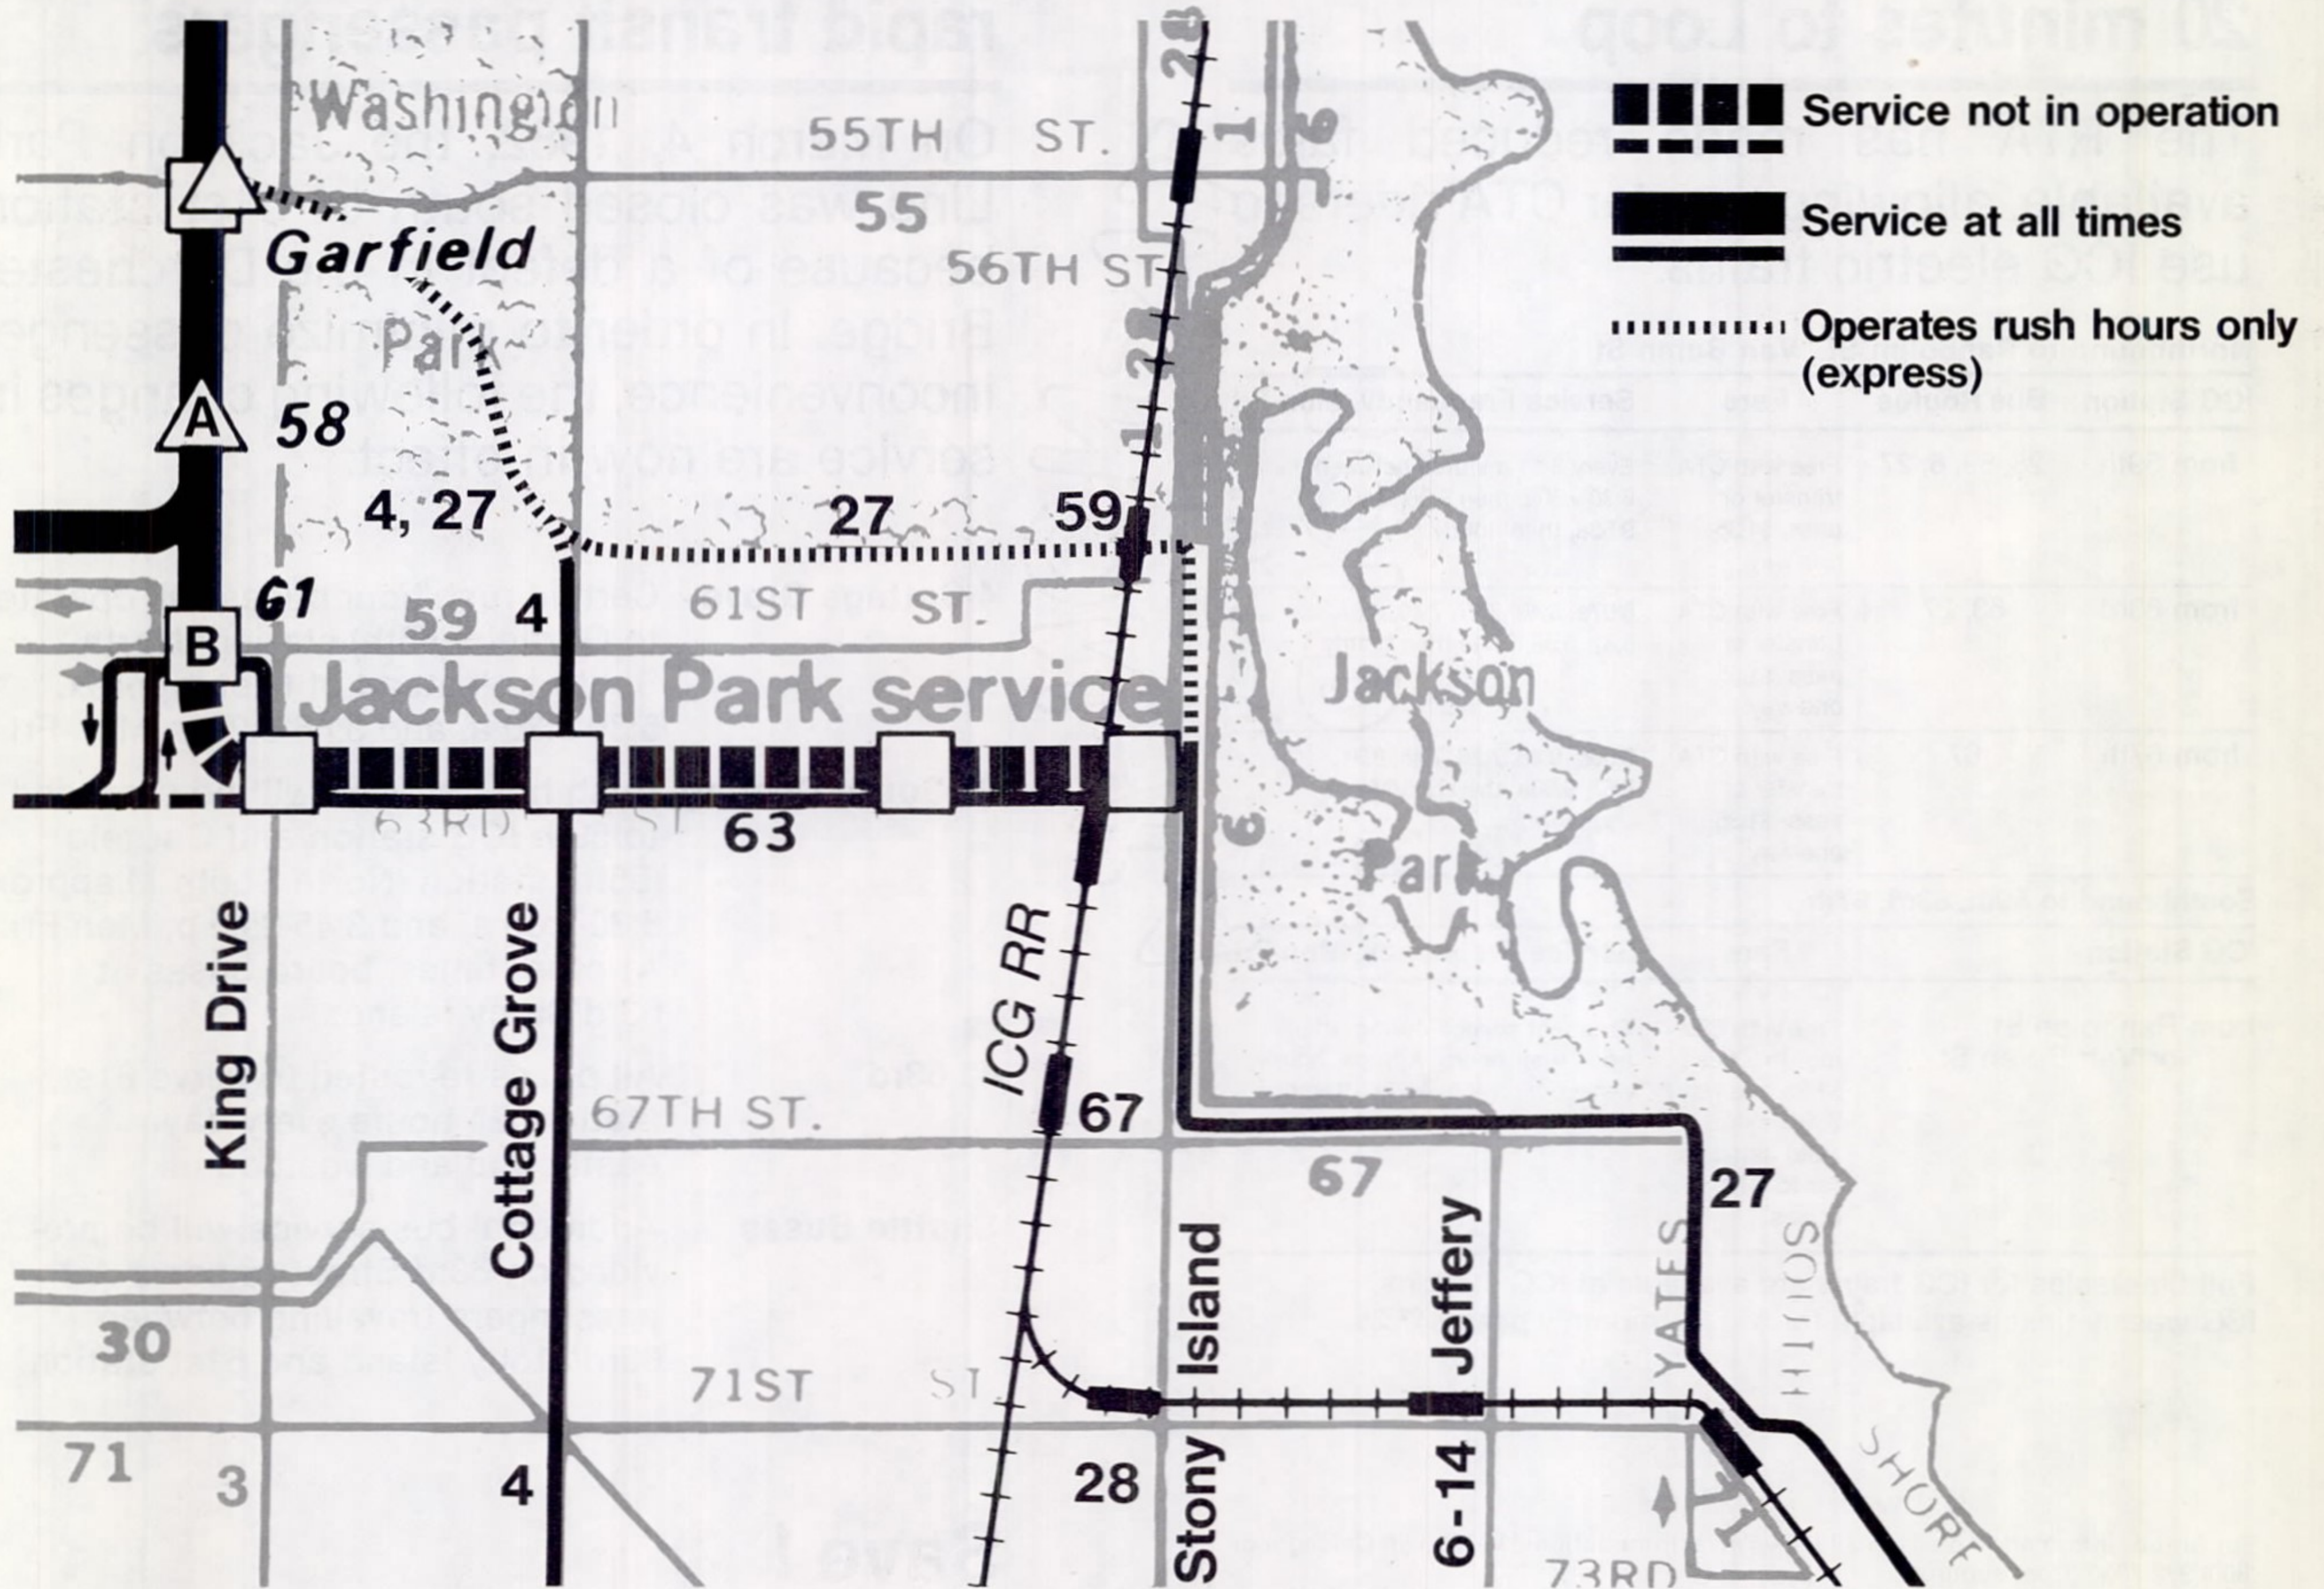

On March 4, 1982, the Jackson Park Line was closed south of 61st station because of a defect in the Dorchester Bridge. In order to minimize passenger inconvenience, the following changes in service are now in effect:

- 4 Cottage Grove** Certain rush hour buses will operate to Garfield (55th) station (North-South L) instead of 61st, approx. 5:30-8:30 a, and 3:45-6:20 p, Mon-Fri.
- 27 South Deering** Rush hour service will be extended to 59th ICG station and Garfield (55th) station (North-South L), approx. 5:30-9:00 a, and 3:45-6:45 p, Mon-Fri. At other times, board buses at 63rd/Stony Island.
- 63 63rd** All buses re-routed to serve 61st station, 24 hours every day, eastbound and westbound.
- Shuttle Buses** Additional bus service will be provided on 63rd Street to serve passengers travelling between 63rd/Stony Island and 61st station.
