Jefferson Park Bus Terminals

56A NORTH MILWAUKEE RIDERS ON MILWAUKEE:

Service on Milwaukee south of Devon (6400 N) will be provided jointly by CTA 56A and NORTRAN 270 buses during all times except Mon-Fri rush periods (6-9 am and 3.45-6.30 pm)

During rush periods 270 service does not make stops south of Devon.

Both these services will be in the south terminal.

270 Milwaukee Riders:

There will be no change in service. However, boarding bays will differ during rush and non-rush hour periods. During Mon-Fri rush periods (6-9 am and 3.45-6.30 pm) the 270 will have its own bay (see inside map). At all other times the 270 will share the next bay north with CTA route 56A buses.

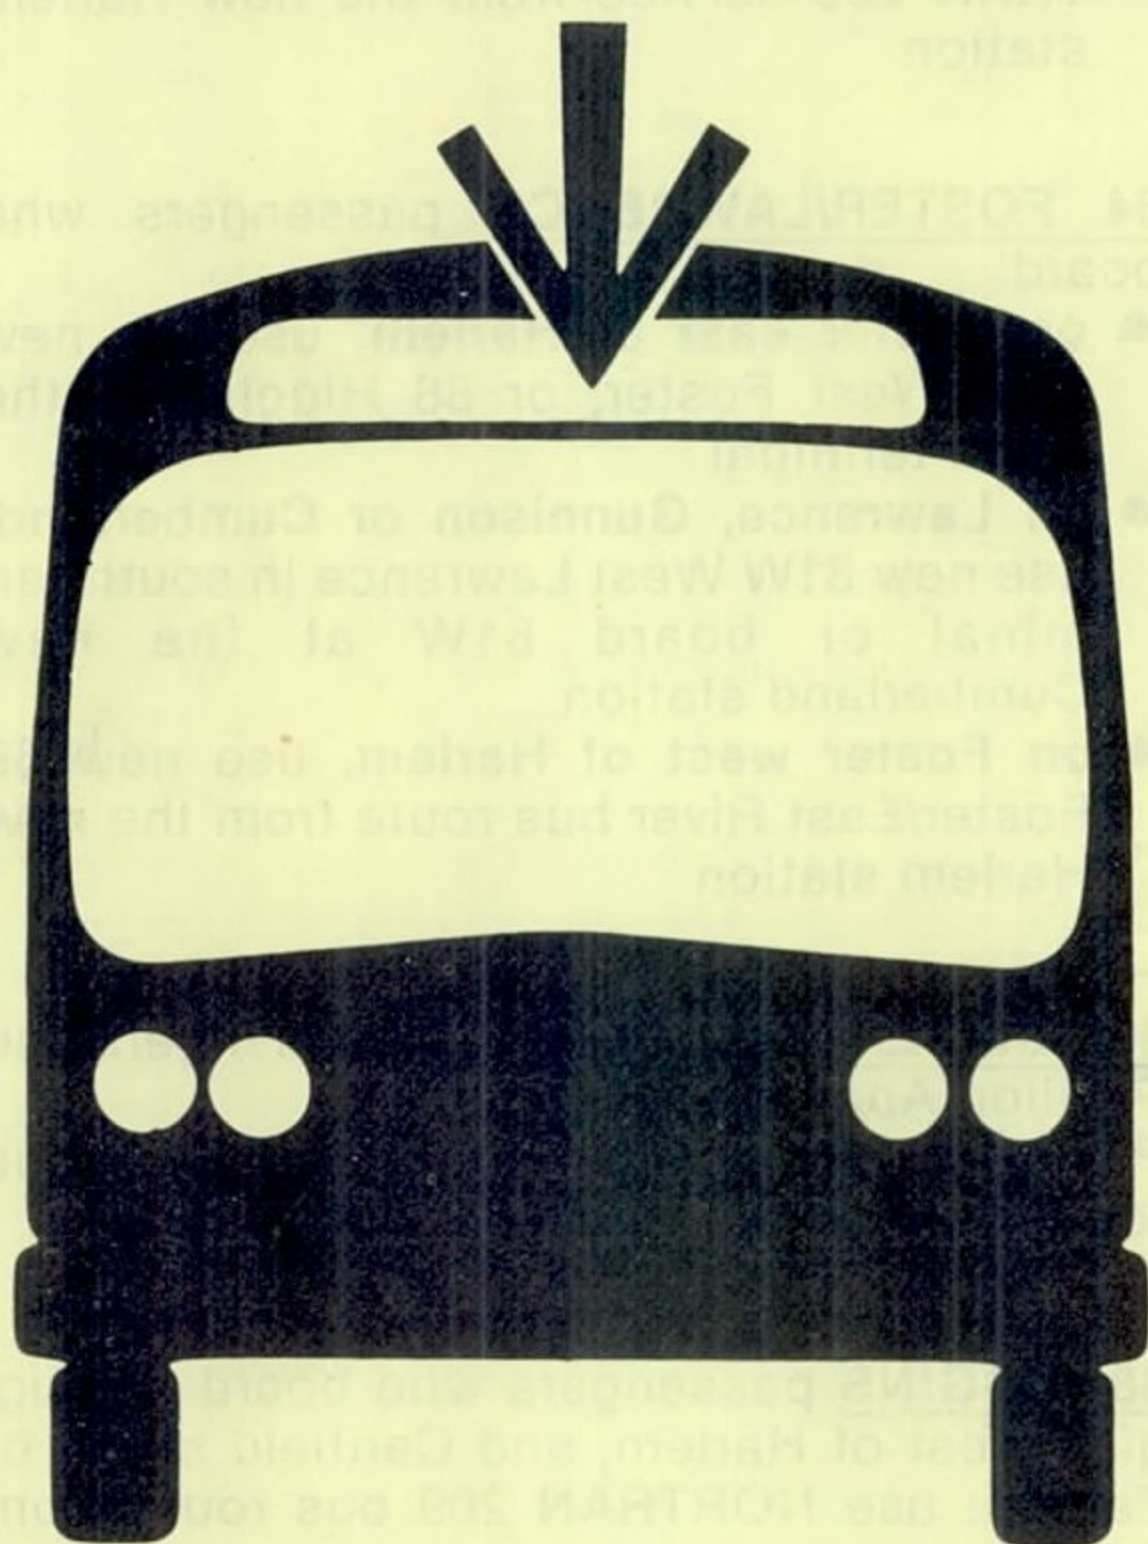

There have been changes to serve CTA stations on all of these NORTRAN routes 209, 221, 223, 230, 240, 241, 290, as well as two new routes; 228 and 222.
