The next best thing to a North Michigan Avenue Metra station.

Now Metra and CTA can deliver you right to your door. Commuting to North Michigan Avenue is now a lot easier. Because Metra and CTA have teamed up to bring express bus service to the riders of Metra's C&NW North and Northwest and Milwaukee District lines.

The Mag Mile Express Bus. During the weekday 6-9:15 a.m. and 3:15-6:30 p.m. rush hours, The Mag Mile Express will run at regular intervals, from Metra's Clybourn and Western Avenue stations to North Michigan Avenue and back (see map). Buses are timed to meet the trains. By avoiding the hassles of the Loop, your commute will be reduced by 10-15 minutes each way.

You're always on track with Metra. If you haven't ridden Metra in a while—or never have—then come aboard and give us a try. We can get you where you're going fast.

And you won't have to deal with traffic, weather, parking, gas, tolls or other commuting hassles. As the nation's premier commuter rail system, Metra gets over 135,000 passengers to and from work each day. The train ride is always relaxing, as you fly by Chicago's notorious traffic jams. And the savings over driving are substantial, especially with our many ticket options.

Save \$14.00 on your Link-Up pass. If you purchase a Metra monthly pass, consider buying an unlimited ride Link-Up pass for only \$36.00. It's valid on PACE and CTA buses and on the 'L'. Even if you choose not to purchase a Metra monthly pass, The Mag Mile Express is only \$1.00 each way.

For more information about the Metra/CTA Mag Mile Express to North Michigan Avenue, call 312-836-7000. We hope to see you on board real soon.
