

State Street Subway

**WEEKEND CLOSINGS
FOR RENOVATION**

**MARCH 30 -
SEPTEMBER 2, 1991**

On weekends from March 30 through September 2 (except June 29-30 for the Taste of Chicago), the State Street subway will be closed for track replacement.

Howard-Englewood-Jackson Park trains will be **REROUTED** over the elevated route between the Fullerton and Tech-35th stations.

This is the first major track replacement work done in the State Street subway since it opened in 1943. In addition, stations will be repainted, light fixtures cleaned, various repairs made, and the tunnel walls in station areas painted for a bright, new look.

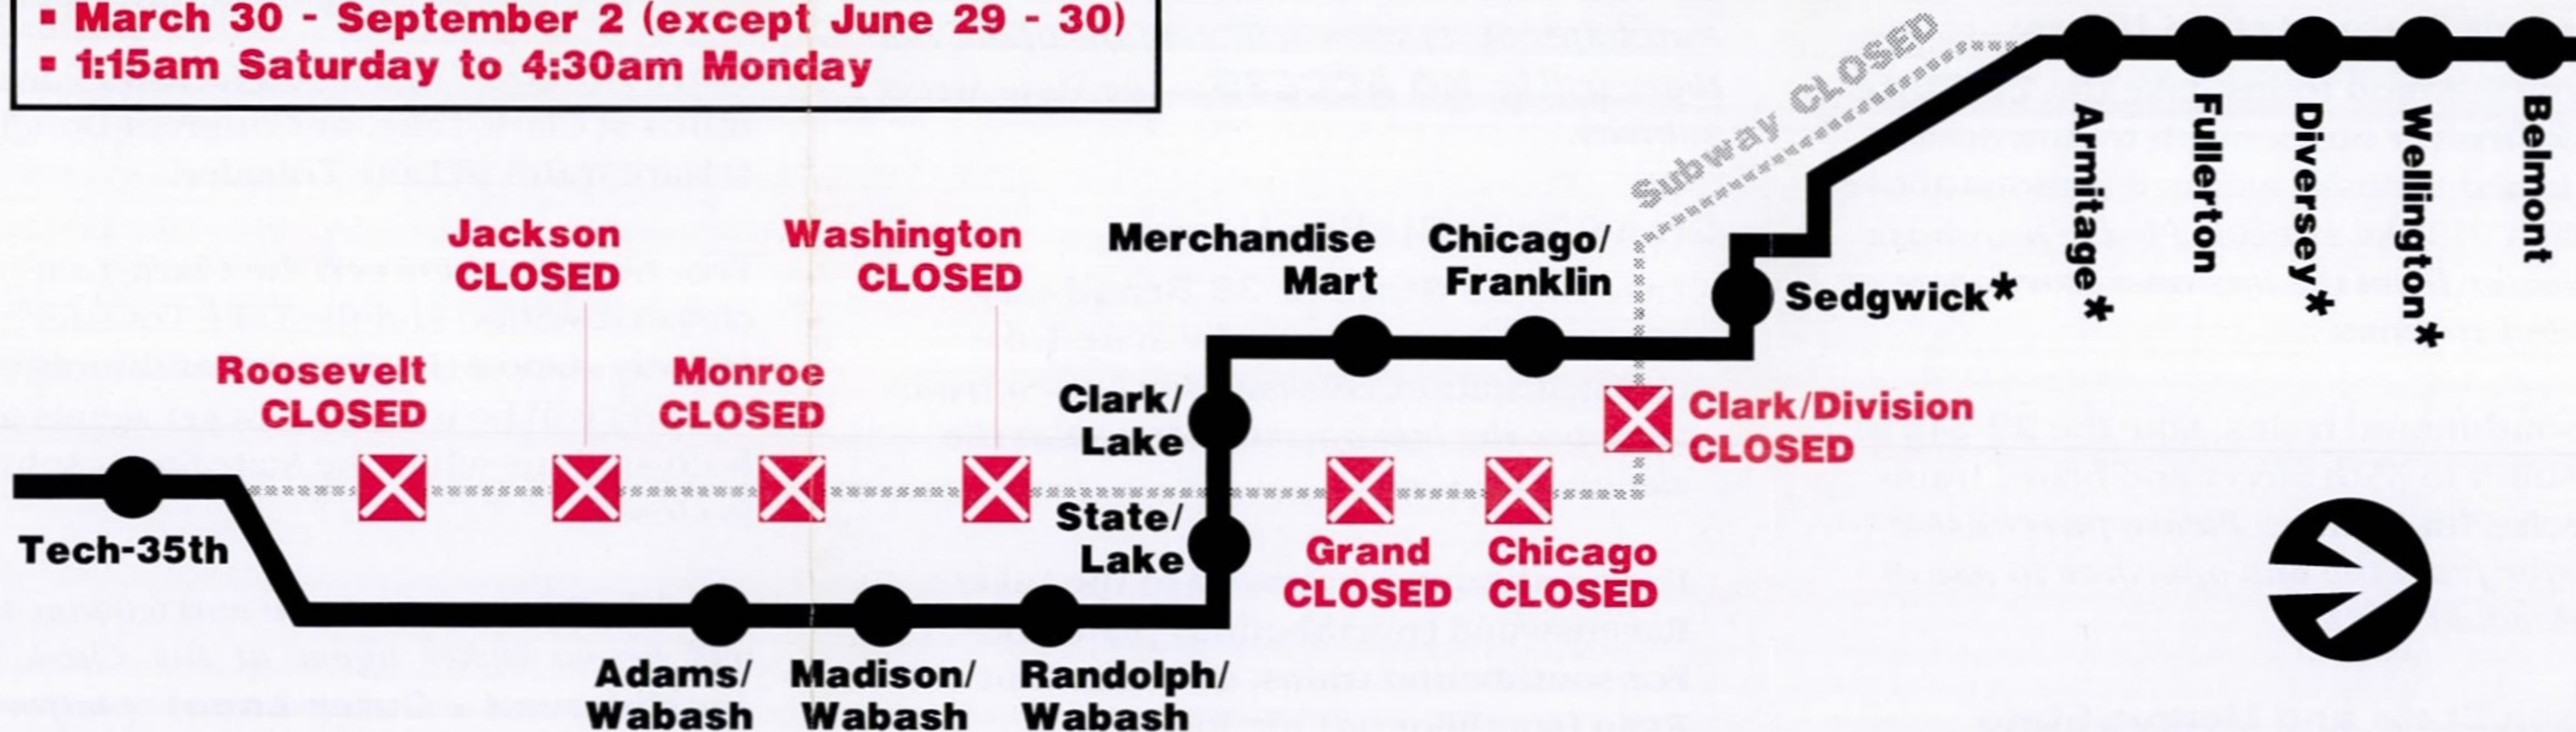

All of this is part of a multi-million dollar upgrading of CTA's most heavily-traveled rail route.

THERE ARE FOUR MAJOR THINGS YOU NEED TO KNOW:

- 1. What stations are closed**
- 2. Where rerouted trains will be running (and stopping)**
- 3. How to get to rerouted trains from closed stations**
- 4. How to transfer to/from Dearborn subway trains downtown**

STATE STREET SUBWAY CLOSED

- March 30 - September 2 (except June 29 - 30)
- 1:15am Saturday to 4:30am Monday

1 STATIONS TO BE CLOSED

TRANSFERRING TO/FROM DEARBORN SUBWAY TRAINS *(Congress-Douglas-O'Hare routes)*

Leave Howard-Englewood-Jackson Park trains at Clark/Lake, or Congress-Douglas-O'Hare trains at Lake Transfer.

Free transfers between the Clark/Lake elevated station and the Lake Transfer subway station (in the State of Illinois Center) will be issued by ticket agents at both stations while the State Street subway is closed.

NOTE: *Between 10:00pm and 6:00am, there will be no ticket agent at the Clark/Lake (northbound - Outer Loop) platform to give out free "L to Subway" transfers.*

To obtain this transfer, cross over to the other platform (southbound - Inner Loop) by using the overhead walkway bridge. Obtain the free "L to Subway" transfer from the ticket agent on this southbound platform.
