

Notice to CTA'S Employees:

The Maintenance Training Center has relocated!

It's more centrally located
It's just a home run swing from
Comiskey Park,
with a roster of CTA ways to get there!

FIRST/LAST BUS TIMES

Buses run every 10-20 minutes or better unless noted otherwise.

RED LINE Between Howard & 95/Dan Ryan		
Service At All Times Every Day		

CTA Buses and Trains to the Maintenance Training Center

The CTA's Maintenance Training Center (MTC) has moved from Chicago's far western edge into a more central location on the city's near South Side. The move was made to save costs by moving into a facility designed for transit-oriented training. The relocation will make it easier and more convenient for employees to reach the MTC by using CTA's transit system.

The MTC is now housed in two refurbished buildings on Federal Street, just south of 31st Street, on the campus of the Illinois Institute of Technology (IIT). The CTA will do its technical training in buildings that were once used by the American Association of Railroads and are rich in technical history. The building at 3125 S. Federal will house Bus and Facilities Maintenance Training & Development. Rail Maintenance Training & Development will be done at 3100 S. Federal. So, in CTA's constant effort to advance with technology, the MTC will be rooted in a technical mecca as the New Millennium arrives.

The CTA offers numerous ways to take you to and from the MTC:

- Bus routes 1, 24, 29, 35 & 39 run within blocks of this new location.
- The Green and Red rapid transit lines border MTC on the east and west.
- The Red Line has an AFC turnstile, which allows easy access with a CTA ID, at the 33rd Street entrance/exit of the Sox-35th Street station.
- The Green Line has an exit onto 33rd Street from the 35-Bronzeville-IIT station.

Come visit and learn at the new MTC location. Be advised that **automobile parking is not available** on this property, so it's highly recommended that you ride the CTA for a hassle-free visit.

How about lunch? IIT has made its cafeteria available to CTA employees. A short walk from our classrooms takes you to a hot lunch or sandwiches at reasonable prices.
