CHICAGO TRANSIT AUTHORITY

# Welcome to Chicago

When you think of Chicago, what comes to mind? Sears Tower...the lakefront...deep dish pizza! Well, add the CTA. Our transit system is as much a part of our city as the cable cars are to San Francisco. Chicago's downtown is even named "The Loop," a reference to the loop of elevated tracks that encircle the area.

## CTA: Chicago In Motion

Now you can enjoy **unlimited** rides on CTA buses and elevated/subway trains with a CTA Visitor Pass — any time, any day, any where. We offer frequent, convenient service every day throughout the city and many nearby suburbs.

## Your Pass. Your Choice.

Tourists, conventioners, and other visitors have made the 1-day CTA Visitor Pass a must-have item when breezing around Chicago. Response has been so tremendous that we've expanded the program to include 2-day, 3-day, and 5-day passes! The longer you stay, the less you pay!

## Easy To Use

Your pass activates the first time you use it — just dip your pass with the arrow facing down into the bus farecard machine or the train station turnstile and go! Your fare is always there! CTA Visitor Passes cannot be shared.

## Simple To Get

CTA Visitor Passes are available at numerous retail outlets including both airports, Visitor Information Centers, Amtrak ticket counter at Union Station, as well as select museums, hotels and tourist attractions. Look on the back panel of this brochure for complete listings, or call 1-888-YOUR-CTA for additional sales outlets.

Enjoy the convenience of ordering Visitor Passes in advance through our new online store. There's no charge for mailing. You can use all major credit cards. We're using the latest in encryption technology to make your transaction as secure as possible. Order today, and receive your passes in about 10 days. All sales are final.

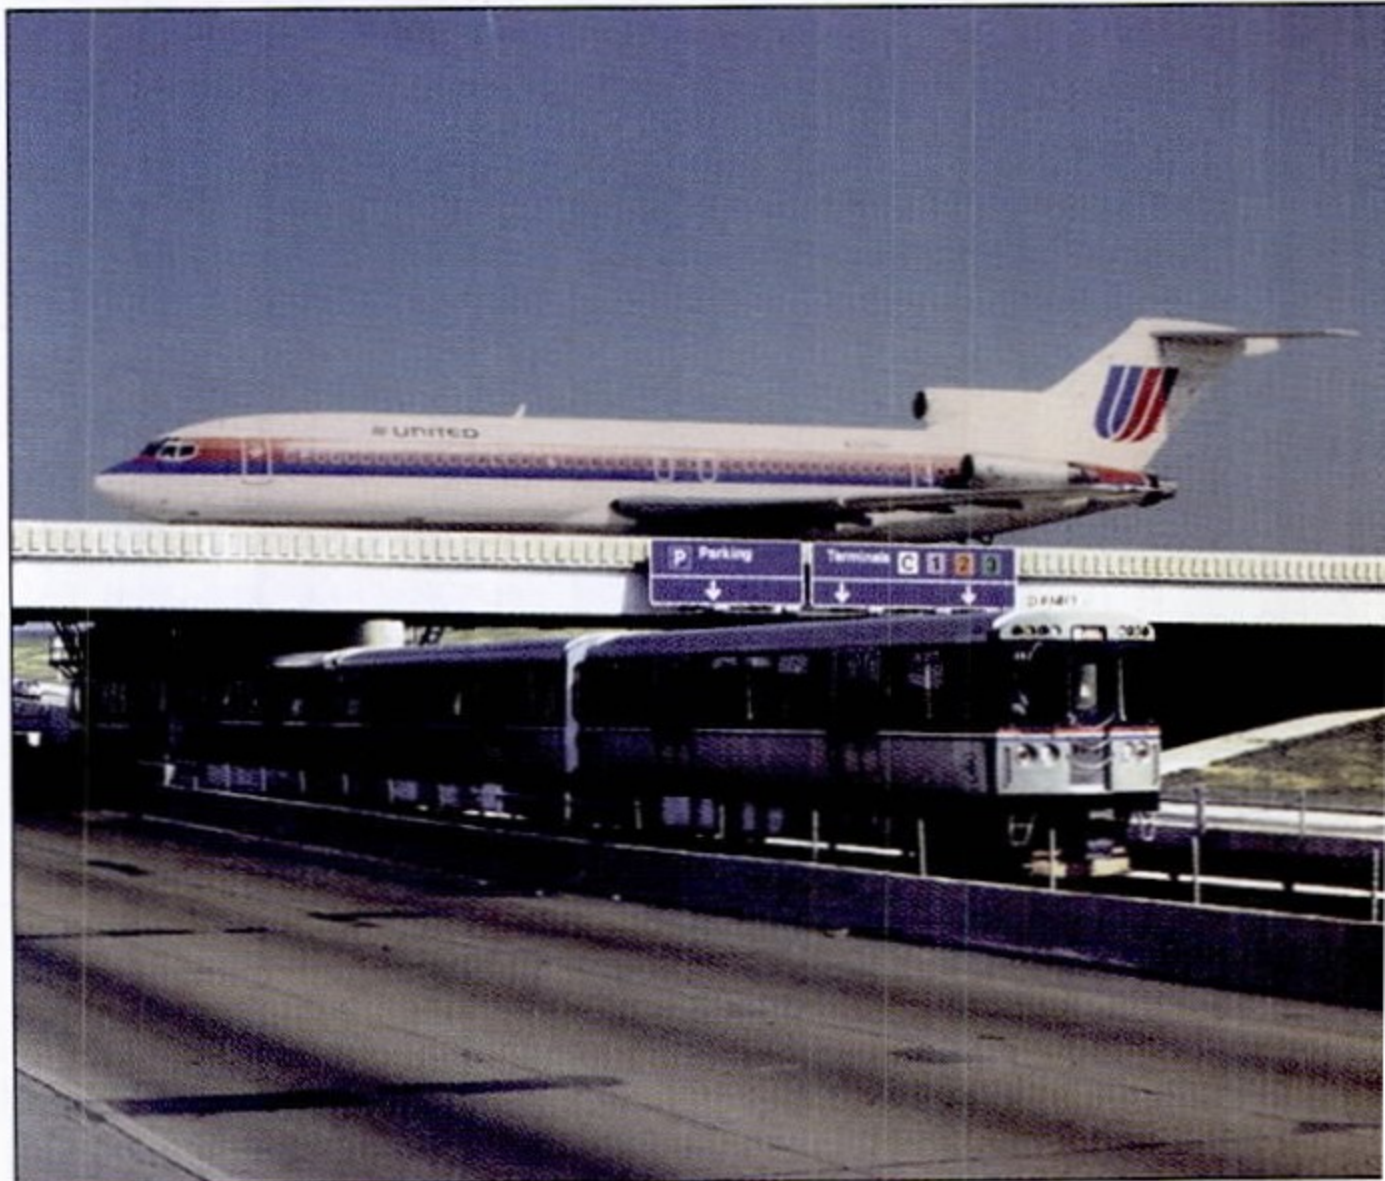

## Your Best Travel Value

Visitor Pass	Price
1-day .....	\$ 5.00
2-day .....	\$ 9.00
3-day .....	\$12.00
5-day .....	\$18.00

The 5-day pass saves you 28% off the 1-day pass and 65% off the cash fare, which is \$1.50 for ages 12 and older.

Consider Visitor Passes for multiple CTA trips for your children, too! The regular cash fare is 75 cents for ages 7-11; those under age seven ride free.

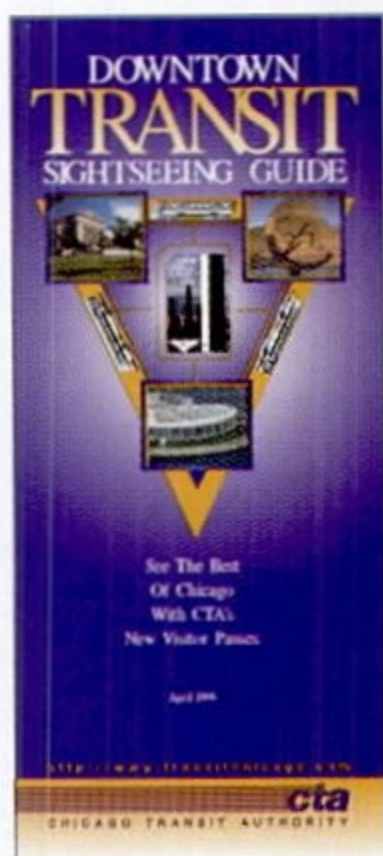

## **CTA, O'Hare, and Midway Airports... We Have Great Connections!**

No more expensive cab rides. No more endless traffic jams. CTA trains take you directly to the Loop and your trip is fast, comfortable, and inexpensive with the Visitor Pass.

Ride the Blue Line from O'Hare, or take the Orange Line from Midway. Just follow the "Trains To City" signs to the CTA Station from both airports.

## **Get the Guide and Go**

The CTA's Downtown Transit Sightseeing Guide shows you how easy it is to get around on CTA. The CTA takes you to ball parks, concerts, museums, the lakefront, neighborhoods -- everywhere you want to go! Available at CTA train stations, Visitor Information Centers, Metra commuter terminals, airports and hotels.
