# Rail Line Customers: Leave early. Leave late. Alternate.

## Effective April 2007 — Library-State/Van Buren

Due to construction, Brown Line, Purple Line Express and Red Line trains will operate on three tracks instead of four at the Belmont and Fullerton stations. Longer wait times and more crowded trains are expected particularly during rush periods.

Purple Line Express trains in the Loop will operate counterclockwise following the same route as the Brown Line on the Outer Loop tracks, stopping first at Washington/Wells and last at Clark/Lake.

To ease the impact on your commute, allow extra travel time, leave earlier or later, or try alternate transit service such as CTA buses:

- #22 Clark
- #36 Broadway
- #144 Marine/Michigan Express
- #145 Wilson/Michigan Express
- #146 Inner Drive/Michigan Express
- #147 Outer Drive Express
- #148 Clarendon/Michigan Express
