Planning Your Trip

CTA has several tools to help you find the best route to your destination.

Use the Trip Planner

Go to **transitchicago.com** and use the Trip Planner. The Trip Planner will recommend which routes to use, including departure and arrival times and where to make connections. Large groups should contact CTA for planning assistance and special arrangements.

Use CTA maps

CTA's **Downtown Transit Sightseeing Guide** shows how easy it is to get around downtown Chicago on CTA. Get to all major downtown attractions including museums, State Street, Michigan Avenue, sports arenas and much more.

CTA's **Bus & Rail Map** shows the entire CTA system serving downtown and surrounding suburbs. This comprehensive map also includes Pace bus routes and Metra commuter rail lines.

Print portions of the map from the CTA web site, transitchicago.com, or request one by calling 1-888-YOUR-CTA (968-7282) and speaking with a Transit Representative.
