

HELP!

WE NEED CREWS!

TO KEEP our 3,500 street cars, buses and trolley buses rolling and performing their essential war task, we must have more men to help run and maintain them.

We need more help to give our 2,500,-

000 daily riders the service they deserve and expect.

T*HESE ARE WAR jobs, for the transit industry is classed as essential. The first step in war production for thousands of Chicago's workers is onto one of our cars or buses as they leave for their daily jobs.*

Besides motormen and conductors, we also urgently need employes for our track crews, electrical forces and shops.

I*F YOU ARE not now employed in essential war work, apply at once at the Chicago Surface Lines employment offices, 1165 North Clark Street.*

Measure the advantages of a Surface Lines job — steady work, good pay and employment in your own neighborhood.

A *JOB WITH US is a good job any time!*
